The Definitive Guide to Big Data Engineering Tasks

Videos classification

Watching Method / Audience	Computer	Mobile/Tablet	Just listening
Developer			●
DevOps			●
Business			●

Table: Video classification

The green circle ● means short video.

The blue circle ● means medium video.

The red circle ● means long video

- **View level (External):**
 - Highest level.
 - View of the data stored?
 - Designed for a category of users
 - The final interface for the user
 - Extended or hidden based on the user's role
 - Not all the views is extended to all users, and there is authentication based on the category

Example

- The database contains product information
- It could be designed to show the sales of the product in a specific region
- We might hide information about some products based on the teams or users
